POS+ Plan Members: To view in-network providers, follow the steps below. You must select **Regional Preferred Network (HMO, HMO+, POS, POS+)** as your plan type.

POS+ Plan Members with National Access: To view providers in our National Access network visit **PHCS.com**, and follow the instructions on the back.

Provider Finder

Find a provider that's right for you

As an AmeriHealth New Jersey member you have access to one of the most expansive physician networks in New Jersey. We want to provide you with tools to quickly and easily find participating providers. The Provider Finder lets you search for a participating doctor by name, location, or specialty. Find out where a doctor went to medical school, his or her board certification, and languages spoken. You can even view office hours and the hospitals to which a physician has admitting privileges.
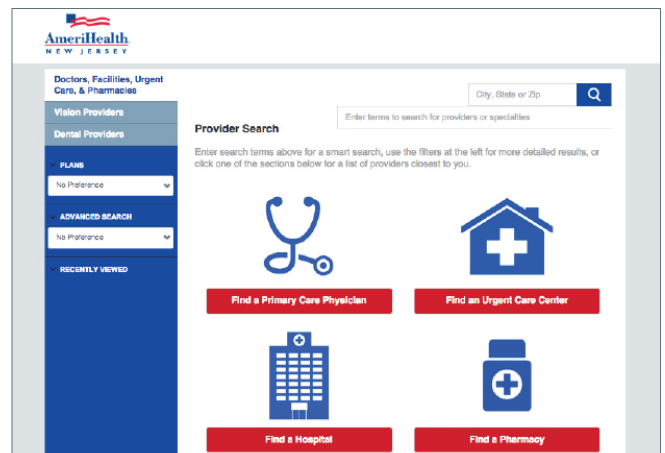

Quick search

There are now multiple ways for you to search for a health care provider. To perform a *Quick Search*, simply enter your desired location, and then select one of the icons for a Primary Care Physician, Urgent Care Center, Hospital, or Pharmacy. If you're looking for one of these types of providers, performing a *Quick Search* gives you the information you need, quicker than ever.

Find a provider

Here's how to find a participating doctor, hospital, or other provider:

1. Visit **amerihealthnj.com** or if you're already a member, log on to **amerihealthexpress.com**
2. Select *Find a Doctor*.
3. Enter keywords in the search bar like a provider's name, or specialty.
4. Then select a location, next to the search bar. You can use the defaulted location, or enter a city and/or zip code for another location.
5. To narrow your results more, you can select your plan type in the left navigation. You can also select certain specialities using the *Advanced Search* drop down.
6. Then just click the magnifying glass next to the location, to get your search results.

View detailed provider information

Our online provider directory gives you tools to help you make informed decisions about your provider options. In addition to locating participating providers, you can:

- view general information about a provider, their hours, and medical background;
- View the AmeriHealth New Jersey plan types accepted by the provider;
- view a provider's affiliations with hospitals, clinics, and medical groups;
- compare detailed information on individual physicians affiliated with a group practice and their medical specialties;
- learn more about a physician's medical education and board-certification;
- get directions to the provider's office, and quickly print provider details.

Finding ancillary providers

Do you have ancillary vision or dental plans with your AmeriHealth New Jersey medical plan? If so, you can now search for in-network Vision and Dental providers right from **amerihealthnj.com/provider_finder**. Just use the left navigation, and a new tab will open up with the appropriate provider search.

If you'd like assistance finding a provider, please call customer service at **1-888-YOUR-AH1 (1-888-968-7241).**

For members searching for a provider in the AmeriHealth New Jersey service area, select your plan type with the Regional Preferred Network as your plan preference.
